

The Crew Media Production Workshops

STUDENT PRODUCTION WORKSHOP English : Art : Drama : Dance : Performing Arts

Lights ,... Camera,... ACTION!

THE CREW offers a one day video production workshop in our new media facility at Miranda in Southern Sydney. Designed for year 10 - year 12 students the workshops are hands on intensives taking students through the processes, techniques, technology and principles related to television and media production.

Our studio is a multi-camera live production facility with up to 6 edit stations if required. We also have a wide range of lighting and audio equipment.

Each workshop can be tailored to suit the specific needs and curriculum requirements of your class. We cater for up to 25 students per workshop.

Topics covered in a typical workshop include:

- Introduction to the video production process and the nature of mass media
- Good and bad camera operation, what is the difference?
- Operation of a multi camera facility, the political interview
- Brainstorming and designing a project – the story telling process
- Shooting and editing

The courses can be specifically tailored for year 12 students wishing to do video major works for English, Drama, Dance or Art. We are also able to run courses specifically on Lighting, Sound, Editing, Advanced Camera Operation, Project design and management, A practical look at media theory. Call us to discuss your requirements.

Workshops run on Mondays and Fridays and cost \$45 per student.

To book your workshop call us on 02 9522 8855 or email; admin@thecrew.net.au A deposit of \$100 secures your day. This deposit is refundable unless the workshop is cancelled with less than 48 hours notice.

Visit our facility and have your students take part in a production experience of a life time.
